OBJECTIVE 3 -TAKE JOINED UP (ROTARY,GOVERNMENT & IF POSSIBLE, COUNTRY WHO) ACTION IN INVITED COUNTRIES FOR ADAPTABLE , STRUCTURED TRAINING BASED ON IDENTIFIED NEEDS/ PRIORITIES

EMPOWERMENT/CAPACITY DEVELOPMENT IN THE TARGET AREA THROUGH STRUCTURED TRAINING BASED ON THE CALMED PROTOCOL FOR REDUCTION OF DELAYS IN EMERGENCY CARE AND PREVENT RELATED DEATHS

Funding and Resource implications: The Maternity Alliance(M.A.S.T.) is a coordinating organisation, providing strategic guidance, provision of manpower and other resources for structured training for creating a road map towards elimination of preventable maternal and new-born deaths in target areas. There are two elements of costs:

- 1 Administrative cost** - will be derived from possible membership dues and from grants approved for programme implementation (administrative expenses)
- 2 Programme costs** -partnership with Government, NGOs and philanthropic Foundations are other possible sources of funding the work of the Alliance, additional to the Rotary Foundation.

OBJECTIVE 4 - FOCUS ON A SECURE FUTURE – GLOBAL CENTRES (ACADEMIES) FOR TRAINING AND RESEARCH OF AN INTERNATIONAL STANDARD IN MATERNAL &NEW -BORN HEALTH

Respectfully submitted by Dr. Himansu Basu, on behalf of participants, collaborators and supporters of CALMED programme.
